MEDIA PACK

## For the successful delivery of your message

The Whitby Advertiser is now in its nineteenth year of trading and is both a Whitby owned and run business producing a monthly A5 glossy magazine, which is regarded as a trusted and popular community resource.

The magazine is a cost-effective way of advertising, our magazine is hand-delivered to homes and businesses throughout Whitby and the surrounding area every month by our dedicated delivery team. Since our first issue in May 2006, the Whitby Advertiser has established itself as the preferred choice of advertising in the town, with local businesses advertising with us for many years.

If you are looking for a local tradesman or service, the Whitby Advertiser is the first port of call, with a handy index making your advert easy to find. We also have a new mobile-friendly, easy-to-use website where digital copies of our magazine can be found as well as a comprehensive, fully searchable business directory to which all our customers are added free of charge, giving their business valuable online exposure.

We invite you to browse through this media pack where you will find our current advertising rates, the area we deliver to and details of how to supply content for your advert along with our deadlines for 2025.
